# COURSE BROCHURE

The Future belongs to  
those who prepare for  
it today.

# ABOUT US

---

Back2Study is a team of young professionals with a combined experience of over 40 years in university shortlisting, applications and student support.

We specialise in helping students to secure admissions in top and reputed UK Universities along with our expertise in other overseas study destinations like US, Canada, Australia, New Zealand, etc.

# MISSION

---

Back2study aims to help students, all over the world, finance their education through government funded schemes or scholarships so that they get quality education, which will pave the way towards a successful career and ensure that they are prepared for the job market.

### **Free Career Counselling:**

Our Free Career Counselling Sessions are based on our ethos of professional career guidance where you will have a 45 to 60 minutes session with our Expert Career Counsellors in our offices or online.

### **Course & University**

#### **Shortlisting:**

Our counsellors gauge your interests, abilities and passion and match them with the course options available in various universities.

### **Interview Preparations:**

All universities have different ways of assessing the students before issuing unconditional offers. Based on your course choice and university your case worker will discuss the assessment methods and help you to prepare you for interviews.

### **Student Finance:**

As a UK student, EU student or UK settled citizen, you are eligible to claim student finance through which you can get full funding for your undergrad or post grad course and get up to 12,000 pounds every year into your bank account to help you with your living expenses.

# CHOOSING A COURSE

## CRITICAL EVALUATION

---

What is your area of interest?

What are the alternatives?

Why did you choose these areas?

How are your academics?

Are you a doer?

What are the main 3 reasons for you to choose overseas education?

How are the employment/entrepreneurial opportunities in your chosen fields?

What is your plan for post course completion?
